Joomla Proof of Concept Optus
Posted by joomtorial - 05 May 2009 23:38

_____

Website URL:: N.A. (Proof of concept)

Additional Extensions: (Components, Modules, Plug ins): RocketTheme RT replicant v2 was used.
Tabs plugin, Cloud modules

Custom Development: The RocketTheme template was thrown upside down to have the Joomla
website into Optus branding as specified.

Other Features:

Additional Information: Proof of concept was received very positively. Now it has to go through a huge
board of people to give the final go.
